Dear

STAT

Thank you very much for your willingness to give Pyle Intermediate School your time and expertise by talking with students about your present career on Career Day, May 17th and 18th. You can play a big part in career awareness by sharing with the students the many aspects of your work.

We will be expecting you on ~~Thursday, May 17~~ or Friday, May 18, from 8:30 am through 12:30 pm (or earlier)

Please be prepared to do the following:

- Spend 10 to 15 minutes explaining your job title and what you do on a daily, weekly or monthly basis. Personal anecdotes are appropriate here.
- Explain the training necessary for your job. Preparatory courses in junior and senior high would be helpful here.
- Discuss the pros and cons of your line of work.
- If possible, try to bring some concrete visual aide which would help the students identify with a process that your job requires.
- Remember! You will be speaking to students between the ages of 11 and 14 years old.

Please come to the front office and you will be directed to an assigned area.

Sincerely,

A handwritten signature in cursive script that reads "Jim Blevins".
